

M.S. Ji, Yong-hyeon

INFORMATION SECURITY · CRYPTOLOGY · COMPUTER SCIENCE · MATHEMATICS

Department of Cyber Security, Kookmin University

☎ (+82) 010-0000-0000 | ✉ hacker3740@gmail.com | 📱 hacker_code_j

“Make the change that you want to see in the world.”

Education

Kookmin University

M.S. IN CYBER SECURITY

- Research on Formal Verification of Cryptographic Algorithm and Protocol.

Seoul, S.Korea

Mar. 2025 - PRESENT

Kookmin University

B.S. IN INFORMATION, SECURITY, CRYPTOLOGY AND MATHEMATICS

- Research on Formal Verification of Cryptographic Algorithm and Protocol.

Seoul, S.Korea

Mar. 2019 - Feb. 2025

Skills

Mathematics

Mathematical Logic, Set Theory, Advanced Calculus, General Topology, Linear Algebra, Abstract Algebra, Commutative Algebra, Algebraic Geometry, Category Theory

Computer Science

Theory of Computation, Automata

Cryptography

Provable Security, KCMVP, Block Cipher, Public Key Cryptography

Programming

C, Assembly, Python, OCaml, LaTeX

Languages

Korean, English
